General overview:

The Georg-August-Universität Göttingen (UGOE) offers scholarships for **incoming master degree student mobility** from the above listed institutions for studying and research at the University of Göttingen during the winter term 2020/2021.

The scholarships are open to all academic areas.

The deadline for submission of the applications is December 1, 2019

Information and Financial Coverage:

Amount of mobilities	Academic Level	Academic area	Duration p/ mobility	Monthly individual support p/ mobility	Travel costs
Two (2)	Master	all	Up to max. 5 months	850€	1075€

Travel: Travel (round trip economy class flight) will be organized by the grantee him/herself. The grantee will receive from the NAMASTE+ team a lump sum of 1075€ for travel upon arrival in Göttingen.

Insurance: For the purpose of the visa application all grant holders are insured by a central Group Insurance, which will be centrally organized by the NAMASTE+ Team upon successful nomination. The insurance costs (approximately 0,99 EUR per day) are deducted from the individual support. Upon arrival in Germany, the student must switch to a German public health insurance provider. Please note that due to a change in German legislation related to the residence title for study purposes, all incoming international students are required to get a German public health insurance. The German public health insurance costs approx. 100-120 € per month. The participant will be informed upon arrival how to get this insurance.

The project NAMASTE+ within the program A New Passage to India promotes equal opportunities and inclusion for all participants regardless of gender, age, sexual orientation, religion or ideology, disability and chronic illness, ethnic and social background. The actions aim at facilitating the access to the participants with disadvantaged groups and special needs. The University of Göttingen and the participating partner universities in India recognize that faculty, staff, and students need an environment in which they are respected and valued for their contributions in order to work and study effectively. This applies irrespective of their age, (dis)ability, gender, sexual orientation or identity, marriage and civil partnership, pregnancy and maternity, ethnic origin, and religion and belief.
